

# SUJAL MALHOTRA

3D Artist | Visual Effects

## Profile Summary

I am Sujal Malhotra, a final-year Bachelor of Computer Applications student at Galgotias University. I am passionate about 3D Game Art and Visual Effects (VFX), with a strong interest in creative design, game environments, and visual storytelling. I am dedicated, hardworking, and continuously expanding my skills to achieve excellence in the field. My goal is to pursue a Master's degree abroad to deepen my expertise and contribute to the global gaming and VFX industry.
